

DNS Services: Where can I learn more about DNS?

A. Here is the list of links:

[Click here](#) for a simplified chart explaining how DNS works.

[DnsStuff](#) contains all tools for domain testing.

[DnsReport](#) to check domain DNS settings.

[DNS Resource Directory](#) a Complete DNS Reference Guide.

[ISC BIND](#) is the standard in DNS server software and is distributed for free at isc.org.

Unique solution ID: #1039
